

Grades 3-6 Art Supplies

Students in grades 3-6 will receive a new sketchbook on the first day of art class. This sketchbook was purchased through the student supply fee. Your child will be using this sketchbook throughout the year both in class and for homework assignments. If your child's sketchbook is lost, a new one may be purchased through the school. We have a very limited supply of extras so please help your child keep his or her sketchbook in a safe place at home.

Parents of 3rd graders: Students in grades 3-6 extend their exploration of art with a personal sketchbook. Assignments are given over the course of the year. These assignments are to be completed at home and the sketchbook brought to class each week. Assignment sheets are stapled on the inside cover along with more information for parents. Also stapled there are three critique questions that the student answers after each assignment. The art teachers return the sketchbook in a timely fashion so your child has at least 3-5 days to complete the next assignment. For further details, please read and sign the parent letter which will be inside the sketchbook cover.

Art supplies for homework:

- pencils, erasers, markers and glue stick
- colored pencils (suggested brands: Prang, Crayola, or Rose Art)
- Oil Pastels (small box will do; suggested brands: Craypas or Rose Art)
- Watercolor paint set with brush (suggested brands: Prang, Crayola, or Rose Art)

These supplies are needed to complete sketchbook homework. Many of these supplies you may already have on hand. **4th-6th graders: Please check your supplies at home and replenish only what you need to complete the list above.** If maintained in good condition, these art supplies can last a long time. Supplies can be purchased at PENCO Artist Supply Warehouse, Michael's, Office Max, Office Depot, Dick Blick & Art Materials or Target.

Your support is greatly appreciated!!
