

7th & 8th Grade FALL SOCCER

- The season begins early September, and ends late October to early November.
- Depending on the number of students who register, we will either have one co-ed team, or separate girls' and boys' teams. The team(s) will participate in the SSYO (South Suburban Youth Organization) League.
- SSYO consists of 23 teams, some of which include Blake, Breck, and Benilde St. Margaret's. The league has been in existence for many years and makes a point of being fun, yet serious and competitive.
- Practices will take place in the afternoons. Exact days of the week and times will be announced in the fall, but we try to use Tuesdays and Thursdays as much as possible.
- There will be one to two games per week, which may be scheduled on Monday through Thursday evenings any time from about 4:30 to 6:30. Schedule to come in the fall.
- We will be asking parents to coordinate carpools for some away games.
- As you register for soccer, keep in mind that you are making a commitment to the team for the season and your attendance is integral to the team's success.
